Year of Passing	2022
Grade	60-64.9%

Class X

Board	Maharashtra
Medium	English
Year of Passing	2019
Grade	70-74.9%

INTERNSHIPS

Integrate Infosolutions, 12 Months

> Front-End Development:

Collaborated in designing and implementing user interfaces using HTML, CSS, React.js, Python, dot Net, and JavaScript.

Worked closely with UX/UI designers to create responsive and visually appealing web applications.

> Back-End Development:

Assisted in developing server-side logic using technologies such as MySQL, Workbench, and MyPHP Admin.

Contributed to database design, management, and optimization, ensuring efficient data storage and retrieval.

> Continuous Learning:

Actively pursued learning opportunities, staying updated on emerging technologies and industry best practices.

Attended workshops and webinars to enhance skills in both front-end and back-end technologies.
